THE ANDREW MAZZA FOUNDATION

"For the Community. By the Community"

ABOUT US

Why We Do All That We Do...

The Andrew Mazza Foundation was founded in 2016 to support, serve, and enrich the community in which Andrew called home.

"For The Community. By The Community"

It Started With A Hero

"Show me a hero and I'll write you a tragedy." - F. Scott Fitzgerald

It's as if those words were written for this exact moment, when I write to tell you who Andrew Mazza was. Andrew spent most his life in Greenfield Township, as have 3 generations before him. He graduated Lakeland High School in 2011 and received a degree in Machine Tool Technology from Lackawanna Career Technology Center. Andrew was a member of the Operating Engineers Union, Local 542, along with his father, uncle, cousins, and his grandfather, Mike Mazza, who served as vice president until retirement. Andrew loved running heavy equipment,

trucks, tractors, and everything from a tractor to a bulldozer.

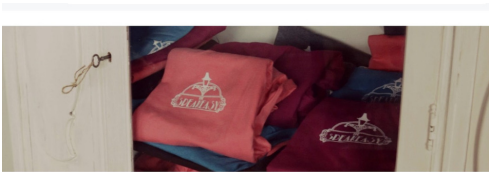

SPOOL IN PEACE

DONATE NOW

We thank you for your continued and generous support of The Andrew Mazza Foundation. Your gift will be used to help keep Andrew's memory alive through the various community projects supported by the foundation.
